

AVANTGARDE Cassonata totale a soffitto . *Cassette awning ceiling application*

Tenda con cassonetto a scomparsa totale per una perfetta protezione del telo e della struttura, dalla forma particolarmente compatta in modo tale da limitare l'ingombro in balconi dalle altezze contenute. Possibilità di attacco solo a soffitto. Carter laterali a copertura di tutta la bulloneria. Regolazione micrometrica dell'inclinazione. Struttura consigliata per forniture condominiali. Verniciatura con polveri poliestere seguendo rigidi standard qualitativi. Ove possibile viteria esposta in acciaio inox. Tenda indicata per balconi e forniture condominiali. Tenda consigliata per dimensioni massime di mt. 4.80 di larghezza e mt. 2.20 di sporgenza.

Total cassette awning for a complete protection of the cloth and of the structure, with a particularly compact shape in order to limit the encumbrance in balconies with contained heights. Installation only at the ceiling. Side cases for covering all the exhibited screws. Regulation system for the inclination of the arms by micrometric screw. Painting by polyester powder in our factory performed following rigid qualitative standards. Where possible, exhibited bolts and screws made of stainless steel. Ideal awning for balconies and condominial supplies.

Maximum advised dimensions mt. 4.80 width and mt. 2.20 projection.
